

The Socialist's Gameplan To Attack and Change Conservative America

- This presentation is distilled from 3 very important books . They detail how you are being attacked and by whom

The Books

- 2010: Take Back America: A Battle Plan by Dick Morris
- Conservative Victory: Defeating Obama's Radical Agenda by Sean Hannity
- The Blueprint: How the Democrats Won Colorado (and Why Republicans Everywhere Should Care) by Rob Witwer and Adam Schrager
 - The best of the lot is “The Blueprint”

Introduction

- In Colorado 4 motivated people were the catalyst to change state politics (The Gang of 4).¹
- Their agendas found the most support and empathy in the Democratic party philosophy.²
- One of the 4, Jared Polis, is openly gay and now has an elected position.³ Openly promotes a gay/lesbian agenda.

Introduction - continued

- Another one of the 4, Pat Stryker, has a brother who is gay.⁴
- The common socialist agenda of these 4 people includes active promotion of a gay lifestyle and a socialist style government
- Note that Liberals are the most intolerant group of people¹⁵

They engineered a dramatic change in the political environment

- 1. Realize this is NOT party politics, this exists outside the party.
- 2. The Democratic party is now only one aspect of this movement, a name that provides legitimate political cover.
- 3. Individuals ARE the key.

These Individuals are:

- Motivated to work for change ⁵
- Motivated to provide Long Term funding ⁶
- Dedicated to a cause ⁷
 - Willing to accept responsibility to make it work
 - Willing to work for funding
- Willing to accept direction from a guiding group.⁸
- Leaving their egos at the door.
- Dedicated to the goal: to control you is all important.

Political Direction Is Now Coming From

- A Non-Profit organization (NP) – The gang of 4 started this ⁹
 - The NP generated a list of areas to work on.
 - Other Non-Profit organizations were interviewed to determine how they fit into the overall strategy.
 - The goal was achieve movement in those areas and use the NPs for this.
 - A list of those NPs meeting these requirements was circulated to donors. **Donors gave directly to these approved non-profits.**

Why Coordinate

- The gang of 4 coordinated these efforts to to achieve and emphasize common purposes: ¹⁰
 - Win elections
 - Change laws to favor their ideas of a greater socialistic government
 - More emphasis on gay rights and teaching of it to children
 - Use environmental issues to cripple the US economy

How it was Done

- Coordinate progressive organizations: ¹¹
 - New non-profit organizations - many
 - Take over the Democratic Party
 - Issue funding recommendations to donors
 - Specific elected officials, keep in office
 - Build a communications infrastructure
 - Build email lists
 - Grass roots organizing
 - Provide a continuous flow of dollars

What they did

- The Non Profit organizations were tasked to do the following: ¹²
 - Elect Democratic party candidates to the House and Senate
 - Run paid phone banks
 - Coordinate voter ID, Get out the vote
 - Mail, specific candidates, issues, timing
 - Employ paid walkers, precinct and more
 - Coordinate negative campaigns

The Results

- The Democratic Party is now the Socialist Democratic Party (SDP)
- Colorado now has Democratic controlled senate, house and governor
- This model is being exported and applied to other states
- Your political representatives are being replaced by socialist ideologs following non constitutional ideas. ¹³

Current NP/SDP activities

- Promote a socialist agenda
- Build a network of people to accomplish this.
- Attack the personal attributes of anyone who disagrees with a socialist idea.
- Say whatever is necessary to mollify voters and cover the real purpose
- Deflect discussion on healthcare, cap and trade, defense, budget, socialism.
- Apply this model to other states.

You as an activist

- Decide if you want a gay lifestyle forced on you – if not then you have made a choice to join us.
- Decide if you want the Constitution destroyed - if not then you have made a choice to join us.
- This is the superior choice, believe it. ¹⁶
- Your decision to join us means you will
 - raise/contribute dollars for like minded groups and candidates.
 - help with voter registration, petitions, surveys, phone banks and more.

You as an activist - continued

- Your decision to join us means you will
 - spread this far and wide to anyone who values the constitution where American law and order is based on Christian principles.
 - work against an Obama imperial presidency and corruption of the Constitution ¹⁴
 - Not depend blindly on a political party, you must vote for principled candidates
 - elect candidates who have backbone to standup for their principles.
 - realize that your participation is VITAL, anything you can do DOES MATTER and will make a difference

You as an activist - continued

- Remember – 4 people with motivation did this to you.
- Are you going to let 4 people subvert the constitution and promote socialism?
- Get yourself and 3 other to join us at <http://rightismight.org>
- All of this material is documented in the three books cited at the beginning, this is NOT FICTION!
